Printers' Convention.

A number of our cotemporaries have had a good deal to say in favor, of a Printers' Convention to be held in this place during the State Fair. What have our immediate neighbors in Columbia. Jefferson, Glasgow, Fayette, Lexington, Huntsville, Paris, Oseola, Fulton, and Warsaw to say? Are they in favor of the Convention? Speak out g n-tlemen, for the purpose of doing something. We have no doubt that all are one opinion in favor of the Convention .- [Boonville Ob-

Let us have a Convention, and a "grand D. Stephenson, Benton, talk." Good may grow out of it, and harm We do not, at present see that any Francois -- C. C. Zeigler, W. thing can be done in the way of regulating prices of work, subscription &c ; every man at the head of a paper thinks himself com- Polaski Allen Hamer, R. petent to arrange his own affairs; and will do it. But a Convention may do good in Morgan-Miles Vernon. B. other ways. Editors and publishers will become acquainted, will mingle and converse St. Chir-Wm. J. Mayo. W together, and something may be done to el- Sims, Benton, evate the tone of the great lever over which they preside. It is a melanchely fact that Frazier, Benton. editors are too much addicted to the use of opponents in politics. The efficiency and James A. Rogers and D. M. Frost, Benton Captain. usefulness of the press is thereby rendered Democrats. nugatory, and it is due Editors themselves, and the country, that there be reform in this. We go for a Convention.

ELECTION RETURNS .-- We are under obligations to our friends in Sullivan and Schuyler counties, for election returns, mailed in good time, but they have just reached us, having been travelling, we know not where. Eleven days is fast time, from Milan and Lancaster, to Glasgow!

GOT ENOUGH TO EAT .- Herndon, of the "Recorder," says:

Reader, when you visit Glasgow just call on our old friend Crews of the Glasgow House, and our word for it you will not re gret it. His table growns under a sumptusupply of everything the market affords and done up to suit the taste of the greatest | Crawford

CHARLES STEWART'S MATHEMATICAL INSTITUTE. ST. LOUIS, MO.

THIS Institution has been in successful opera-tion for the last nine years. All the branch-es of Mathematics are taught in this Institution in the most thorough manner, together with English Grammar, Natural Philosophy, and Astronomy.— The analytical method is combined with the cancelling, by which nearly every problem of any length may be solved by about one-sixth part of the figures that are used in the ordinary method of

calculation.
CHARLES STEWART, Principal. N. B.—Jones' Commercial College is also con-ected with this institution. For information relative to the above address August 10, 1854-\$5*

HOWARD HIGH SCHOOL.

FAVETTE, MO. THE Twenty-First session of this Institution will commence on Monday, the 18th of September. The new and commodious edifice just erected will afford all necessary accommodations for the Male and Female Departments.

Revs. W. Homes and W. T. Lucky will have control of the young ladies' Boarding House.

The uninterrupted prosperity of Howard High School for TEN VEARS is its best recommendation. For further particulars address
